## SECURITY AND PRIVACY

This will sound really official because we know how important it is. Crowdrise processes Event Registration through Authorize.net. Authorize.net uses Secure Socket Layer (SSL) with 128 bit encryption, the industry standard in secure server protection. And if you're up for a riveting read, here's a link to our [Privacy Policy](#).

## NEED HELP?

Email us at [otis@crowdrise.com](mailto:otis@crowdrise.com) for the greatest service in the world. Actually, Otis isn't that good but he tries hard.
